My Dear Sister

Just a few lines hoping to find you
Charlie & family in good health as this leaves
myself wife & children at present Thank God
for his kind mercies to us all. I have changed
my place where I was for over 4 years & come
here to live perhaps for the better. I had a warm
dispute with my Boss & results were as you
see a change at once however I cannot complain
as my wife & 5 children are living here in this
Town. Jack our oldest is a volunteer in Bahía
Blanca for nearly 2 years & is earning £10 per month.
Willie & Ernest are working on Estancia La
Argentina with me. The others are going
to school less Alice and Ida whom are at
home with their mother. This day week I
wrote to Sister Maggie so by the time you
get this you will probably have had
news from her. Dear Johannah I only get
one letter from you this last 31 years it's
a long time and we are growing old
but as regards myself I feel very fit
& strong yesterday I rode over 40 miles

Asid felt quite fresh on my arrival at home. Last Monday I set out looking for sheep to buy & was over 70 hours in a ~~car~~ goods

train returned back on Friday. & My Son Ernest informed me that there was a steer missing hence my side of 40 miles yesterday. However I did not find the steer. All Dear Sister my family are growing up very fast the youngest is over 8 years a very pretty boy & a great favorite with everybody he is with all neighbours more than with us everybody invites him to their houses. Now I suppose a good many of your children my Dear Cousins are married & I trust doing well. Maggie's family according to her last letter 2 years ago were all doing well. I hope yours are better we have had a lovely winter this year scarcely any cold more like Spring than anything else.

Dear Joe I expect you heard that poor dear John Rennie died in Paraguay. I saw Mrs Rennie on her return voyage from here to England for Australia well let you know more in my next letter Dear Sister I must finish with my greatest Love to you Charlie & family. From your loving Brother
